**CORE VALUES** – Core values underlie our work, how we interact with each other and which strategies we employ to fulfill our mission. The core values are the basic elements of how we go about our work. These are the practices we use (or should be using) every day in everything we do.

**C** – Commitment Dedication to the causes and ideals of the school

**O** – Organization Quality of being organized

**M** – Mastery Possession of knowledge of subject and of skilful techniques acquired by continuous training, intelligent planning and focused effort.

**E** – Efficiency Accomplishment of a learning objective or a job with minimum expenditure of time, effort and resources in the performance, to ensure the accuracy of the results.

**T** – Teamwork Promotion of an environment of mutual support, cooperation enthusiasm and appreciation to develop a unified expectation for performance and delivery of services

B.N.K.I.P. School, Anagawadi is yet another laudable initiative by the highly reputed KHOT society to promote quality education to children of our country, especially of Bagalkot and adjoining areas.

#### Building:

A splendid architecture, reflecting kid's imagination and a concern for convenience, the school building is as awe inspiring as it can get. The school is packed with tremendous facilities. It's the best a kid can get, anywhere, around the globe.

Since its inception on 1<sup>st</sup> July 2016, BNKIPS has shaped into a vibrant school with desprites and educators collaborating actively. Spread over 3.26 acres of landscaped campus with excellent sports facilities, air-conditioned digital classrooms and activity areas, specialized IT and Science Labs, English Language Lab and self-owned fleet of buses with GPRS, CCTV surveillance facility and efficient ERP system, the school is enthusiasm personified.

All lessons are delivered by facilitators who are specialist in the chosen field. Our teachers are skilled in presenting the challenging subject curriculum in ways that make it easier for students to make it effectively. Students undergo various learning experiences through variety of contemporary learning aids and resources.

Teachers work closely with students in the classroom and one-on-one small groups outside the classroom to support their English language needs in listening, speaking, reading and writing.

There is high priority focus on teacher training in new areas of learning.

Students progress is continuously monitored in scholastic and co-scholastic areas and a comprehensive report is available at the end of every milestone test and Our positive initiatives like Personal Development Programs, Student Leadership Programs, and Discovering New Perspective Parent School Partnership.

Our Salutation to Late Shri Basalingappa N. Khot who dared to dream, to create and to make a difference, with a mind truly brilliant and a heart that embraced all,

**Presidents Message :**

We are happy to gift BNKIPS to the residents of Bilagi and Bagalkot Districts, In our days, there were hardly and schools of repute in town. We have to shift our base for quality education from one place to another. I am delighted to have BNKIPS which will be a great learning destination in the district and nearby areas and the students will not have to migrate to other places in search of quality education. We strongly believe that every student is unique person with has/her own set of abilities, needs and aspirations. We at BNKIPS are committed to bring out their uniqueness.

Besides academic excellence the school is committed to inculcate in all its students strong ethical values of integrity, politeness, kindness and respect for elders I firmly believe that education should forster confidence discipline, clarity in thought and decision making ability to set and achieve goals and above all social responsibility as a lifelong process. The unique BNKIPS pedagogy backed up with state-of-the-art infrastructure which brings excellence in learning and training. The Challenge lies in utilising the changing learning pattern which changes in the methods of instructions coupled with technological advancements to create an educational experience that wil influence the all round development of students and uphold our commitment towards nation building.

*"Bear in mind that the wonderful things you learn in your schools are the work of many generation. All this is put in your hands as your inheritance in order that you may receive it, honour it, add to it and one day faithfully hand it on to your children".*

*"Children Are The Future And The Most Valued Treasure Of A Strong And Prosperous Nation"*

Dear Enlightened Parents,

Education is the most powerful weapon which you can use to change the world. Education is the most powerful force that shapes the life of future citizens. It is our unceasing endeavor that each student leaves a better individual, equipped with a right ideas and beliefs. The school prepares the students to meet the challenges of life and mould them into civilized and better citizens. A wide variety of opportunities is offered for students to express themselves; to explore their interests. We imbibe the value of integrity, respect, self determination and team work. Our prime focus is to see that each child gives his/her best and gain the skills necessary to be successful in school and in life.

BNKIPS believes that the intrinsic reward-the chance to influence young life. The best way to predict the future is to create it.

My dear children, even as you embrace the brave new world, respect your tradition and remain culturally literate. Together let us create an emotionally stable society.

- S.D. Kakkeri

## Prefectorial Body- For Our Students Leadership Means Leading The Change

### THE RESIDENCES:

The boys and girls residences at BNKIPS are homes away from home. Students spend as much time at the residences as they spend at study or co-curricular activity, and hence set up a link as well as a routine in the way they 'live' at school. At BNKIPS there are 3 categories of boarders:

#### DAY BOARDERS :

Under the day boarding concept, the children will have their breakfast, lunch and evening snacks at school. They will reach campus in the morning and leave only by evening after completing their studies, homework, sports, activities and other developmental programs. This would ensure that at the end of the day, the child can spend good quality time with parents and family members, and share his daily experiences.

#### SCHOOL UNIFORMS:

School Uniform School uniform enhances equality among students. Moreover it is an identity of the school. Therefore wearing of uniform is compulsory for students.

#### ACADEMIC YEAR :

The academic session begins from April and continues up to March.

#### REGISTRATION & ADMISSION

Registration starts from 2 February. Parents desirous of getting their wards admitted should fill the registration form and deposit at Oneness office.

### **Medical Facilities and First-Aid :**

The school has first aid facility of its own. Regular medical checkups for the entire school will be done regularly. Cases requiring serious medical attention are taken to the nearest medical hospital.

Reports of any medical examination will be sent to the parents of students who require special treatments. The school will have tie-ups with all the specialist and the students shall be taken to them as required.

The school authorities reserve the right to refer a student to any specialist for treatment or operation when the need arises and when the time is at a premium. In all normal cases, the parents will be consulted first before such action is taken.

### **Transportation Facilities:**

The school has the bus facility from most of the locations of the nearby Bilagi and Bagalkot. Specially designed buses for the safety and comfort of the students are used. The children are picked and dropped by the escorts. The routes are planned in such a way that the travel time of the children is minimized.

## **A WORLD OF OPPORTUNITY BEYOND ACADEMIA GAMES AND SPORTS:**

**"ALL WORK AND NO PLAY MAKES YOU DULL"**

BNKIPS provides a great infrastructure for sports in its sprawling campus . An amalgamation of playing more than 10 playing areas. For almost all major indoor and outdoor games gives the school sports a dominant appearance.

Physical Education sports and games and sports form an integral part of our educational program.

The students are encouraged to participate in various district, state and National level.

Yoga is given special importance in the school and the the children are regularly provided training for yoga.

### **Outstanding Facilities :**

BNKIPS is built upon a vast campus of 3.21 acres of land comprising two magnificent blocks. The blocks are dedicated to primary and secondary classes respectively.

The school is equipped with a professional ground with a kabaddi pitch, kho-kho field, Volley ball.

The infrastructure also includes facilities of computer labs, science labs, library and catalyst room. The environmental friendly architecture of BNKIPS

In the words of Ms. Annabelle Manwaring, the Pro vice Chairman – "More than focusing on the building, we wanted to breathe life into the campus. It is a place for children to celebrate, so we wanted the school to reflect the spirit".

### **Library :**

The library is unrivaled with more than 5000+ books, subscribed latest periodicals and magazines, both Indian and foreign. The students are encouraged to cultivate good reading habits and use the library as an important center for learning.

### **Laboratories :**

Large, fully equipped laboratories are there to encourage students to partially explore what they have learnt theoretically and inculcate in them the scientific temper of experimentation and validation. The school has the following laboratories: Physics, Biology, Chemistry, Mathematics and Computer Lab.

### **Computer Lab :**

Computers being a plaything for children of the present generation, the computer lab is one of the most sought after lab by the students. The school has a state of the art computer lab with internet facility and a projector with screen. Students learn using individual PCs as well as concepts taught on the big screen via the projector.

### **Dance Studio :**

We, at BNKIPS give equal importance to co-curricular activities along with academics. Hence, dance, drama and music are an essential part of the curriculum. The school has a dance studio with three dance teachers who teach all types of dances ranging from classical, hip hop to Bollywood. These dances are part of the morning assembly where the children showcase their talent.

### **Music Centre :**

The music room is another favourite place of most of the students. The school has a separate music room where along with vocal classes, keyboard and guitar are also taught. The music teachers are experienced professionals who have been part of professional bands and done numerous shows.

### **LANGUAGE LAB :**

An interactive language lab enhances the skill in a child to develop the art of communicating at a very early stage of life. The language lab enhances the confidence of the students by improving their speaking and listening skill .

### **Safety and Security :**

A reliable security system with professional security personnel, a completely fenced campus, 24/7 guard duty are in place to safeguard the sprawling campus.

### **CCTV :**

The school campus is equipped with the CCTV cameras for ensuring round-the-clock security.

### **PURE WATER :**

Filter machines help in providing safe and non-contaminated water to the resident on the campus.

### **Houses :**

The students are divided into 4 houses which are headed by Captains and Vice-Captains, who take their guidance from the teachers and in charge of the houses. Inter-house competitions are organised in various cultural and co-curricular activities. This system fosters a spirit of healthy competition and camaraderie.

### **Following are the division of houses :**

1. Terra house.      2. Aqua house.      3. Ignis house.      4. Ventus house.

### **School Net :**

In school net, the children can navigate the information highway, they can enjoy a real kind of freedom that we never dreamed, could exist.

### **Activity/Learning Center :**

Club activities help the students to learn and practice skills that will help them express themselves with their individuality. To nurture the talent of each . the school has made extensive arrangements that enable the students to learn different arts, crafts, music and dance.

The students of grade 3-8 of BNKIPs, Anagawadi participated in Discovery School Super League Competition powered by –BYJUs and brought laurels to the school and their parents by qualifying for the round 2. The round 1 was conducted in the month of October. Discovery School Super League is India's biggest National level inter school contest. It is a critical Thinking and Aptitude based competition that provides a unique platform for the students to compete and win laurels for themselves and the school.

## CHILDRENS DAY

### BREATHTAKING PERFORMANCE:

Teachers rock the show on Children's Day. Astounding performances by teachers made students go madd!!

### GRANDPARENTS DAY:

Grandparents are known as the root of the family. They are very much experienced and knowledgeable and they always share their valuable life lessons to help the newer generations learn and grow. To celebrate their importance and tell them how special they are to all of us, we celebrated Grandparents Day with our juniors. Love is the greatest gift that one generation can leave for another. The grandparents enjoyed and were mesmerized by the performance of the small kids. They shared their feelings and expectations they have from their grandchildren. President: Shri B.B.Khot and Principal: S.D.Kakkeri were overwhelmed by seeing the grandparents to enjoy the function.
